Eurotunnel shares suspended in Paris

Following a decision by the AMF (regulatory authority) Eurotunnel shares have today, 15 May, been suspended from trading on the Euronext exchange in Paris.

Eurotunnel confirms that it is in advanced negotiations towards a global financial restructuring for the group with the Ad Hoc Committee of Creditors, and with the Goldman Sachs and Macquarie groups.

Eurotunnel will keep the market informed of progress in these discussions and, in the event, of the conclusion of an agreement.

Any rumours, commentary and interpretation of these discussions should be treated with the utmost caution.
