## **Michael Schuller to become Eurotunnel Corporate Finance Director**

Michael Schuller, Eurotunnel Treasurer since 2002, will become Corporate Finance Director with immediate effect. He will continue to report to Claude Liénard, Chief Financial Officer but will now also have responsibility for the Investor Relations activities previously handled by Xavier Clément, who is leaving Eurotunnel to pursue his career interests elsewhere.

Prior to joining Eurotunnel, Michael Schuller, 44, had been Treasurer of One2One (T-Mobile UK) and Cable and Wireless in the UK and prior to that was a Corporate Dealer for the ANZ Banking Group in New Zealand.
